# MPS route to FSI2025

MPS helps you meet the requirements of FSI2025 with the following certificates:

**MPS**  
ABC

The environmental certificate for growers who take sustainability seriously

- Globally recognised as the leading environmental certificate
- Secure record-keeping system for crop protection agents, energy, fertilisers, water and waste
- Insight into performance based on data
- Makes sustainability efforts transparent and measurable
- Monitoring through periodic audits and sampling

**MPS**  
GAP

Certificate demonstrating Good Agricultural Practices, benchmarked against GLOBALG.A.P.

**MPS**  
SQ

Certificate demonstrating good working conditions

**FSI**  
2025

**FSI**  
members

## Meeting FSI2025 requirements

- To achieve its goal of 90% certified trade, FSI introduced the Basket of Standards in 2015.
- With MPS certification, you meet all these requirements.

## FSI 2025 Basket Of Standards
