

# Price list 2024

## MPS-ABC Europe

### Module A MPS-ABC record-keeping: €337 all-in

- First year of record-keeping for new MPS-ABC growers.
- Record-keeping for 13 consecutive periods of 28 days.
- Send data digitally at the end of each period.
- It is possible to be certified within six months by recording retroactively.
- For the first year, a fixed rate applies without additional costs and including any additional locations.
- There are no registration fees for MPS-ABC.
- After one year of participation in Module A, automatical transfer to Module B.

### Module B MPS-ABC certification: basic rate €700 plus hectare surcharge

- In addition to record-keeping, audits and samples also take place within Module B.
- An audit takes place every three years as standard, sample taking annually.
- Hectare payment depends on cultivation area (see table hectare payment).
- In the case of a hectare payment, the average surface area of the previous year applies.
- An additional charge of €361 applies for each additional location where record-keeping is done separately (sub record-keeping).

### Complementary services

- UO registration: €129 per year (the Netherlands only).
- Group qualification: €65 per participating grower per year.

### Module A MPS-ABC record-keeping (first year)

#### What is included?

- Access to the online MPS-ABC record-keeping environment.
- Personal assistance by starting up the digital environmental record-keeping.
- Service & Support (by telephone and online).
- Usage overviews (insight into usage and score).

### Module B MPS-ABC certification

#### Everything as Module A plus:

- Audits (once every three years as standard):
  - The Netherlands: a maximum of three hours and one hour extra per additional location where record-keeping takes place separately (sub record-keeping).
  - Europe (including Israel and Turkey, excluding the Netherlands): a maximum of five hours and one hour extra per additional location where record-keeping takes place separately (sub record-keeping).
- Audit reports.
- Annual sample.
- Certification.
- Use of MPS-Vignette.
- Visibility in sales channels and on MPS-Trade portal.

#### What is not included?

- Extra audit hours above the established maximum (as per rate Certifying Body)\*.
  - Expense contribution\*:
    - The Netherlands, Belgium, Germany, Denmark: €89
    - Other European countries: €337
- Additional audit hours and the expense contribution are only charged for the MPS-ABC audit that takes place once every three years. If audits for other standards of the MPS Group are conducted at the same time, the expense contribution will be charged a maximum of once.

# Price list 2024

## MPS-ABC Europe

### Hectare surcharge Module B MPS-ABC certification

0 - 15 hectares:	number of hectares x €116
> 15 hectares:	number of hectares x €58

### Uncovered cultivation:

When calculating the area for the hectare payment, a correction applies for uncovered cultivation: number of hectares x 0.25.

### Mixed cultivation:

In the case of both covered and uncovered cultivation, the corrected hectares are added together.
