MPS-Socially Qualified

Certificate demonstrating good
working conditions

Good working conditions play an important role for many traders and consumers. With the **MPS-Socially Qualified (SQ)** certificate, you demonstrate that your company meets the national and international requirements in the field of health and safety.

MPS
SQ

MPS-SQ meets the FSI requirements. To obtain the MPS-SQ certificate you must be an MPS-ABC participant and you need a valid MPS-ABC qualification.

Features

- monitoring of good working conditions
- meets social and other retail requirements
- responds to societal demand for socially responsible products
- visibility in MPS-Trade Portal
- based on the guidelines of the International Labour Organisation (ILO)
- MPS-SQ is listed in the FSI Social Basket

Audit and certificate

Annual audit.

Combination audit with MPS-ABC and MPS-GAP, among others, is possible.

Maximum delivery

When you choose MPS-ABC, MPS-GAP and MPS-SQ, you meet a broad set of sustainability requirements and all the requirements to supply IKEA, Lidl and Aldi, for example.

MPS-SQ

Responds to societal demand for socially responsible products

Especially now that international supermarket chains are increasingly focusing on both the social aspects and the environmental requirements of your business, MPS-SQ is a useful addition to MPS-ABC.

Certification requirements

MPS-SQ sets requirements regarding working conditions, safety, health, including:

- trade union membership and right to negotiate
- possibility of staff representation
- anti-discrimination
- prohibition of forced labour
- regulations on minimum age
- requirements for employment contracts and pay
- regulations on working hours and days off
- annual leave
- pregnancy and maternity leave
- medical care
- accommodation
- personal development of employees
- usage, handling and storage of crop protection agents
- organisation ethics
